

LX LPS

„Highly dynamic, extremely transparent with a bit of crisp!“

stereoplay Testurteil	
Klang	
Spitzenkl. (MM/MC)	53/54 Punkte
Gesamturteil	
gut – sehr gut	76 Punkte
Preis/Leistung	sehr gut

The far extended frequency response does not just manifest itself as imaginary „Air“ and thus as an impressive spatial definition, but also gives the sound a touch of fascinating „crispiness“. It is anything but boring so there is only one conclusion: definitely worth the price.
