

# M6 Vinyl

„Lively, rich and involving sound!“

If you're in the market for a flexible phono stage that will do justice to your vinyl hardware and a wide selection of music, look no further; this one fits the bill.

## Hi-FiChoice

### OUR VERDICT

**SOUND QUALITY**

**LIKE:** Lively, rich and involving sound; specification; build

**VALUE FOR MONEY**

**DISLIKE:** Cartridge output needs careful consideration;

**BUILD QUALITY**

increased noise in higher gain setting

**FEATURES**

**WE SAY:** A flexible phono stage with simply fantastic sound

**OVERALL**
